

Exhibit at the Technical Rescue Pavilion

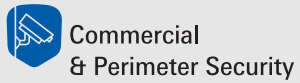

Rapid government upgrades in search and rescue gear, increased focus on human safety and a surge in private and public investments, are driving our market to unparalleled growth and opportunities.

Organizations have a unique chance to seize this opportunity by exhibiting at the Technical Rescue Pavilion and connect with targeted audiences. Leverage our dedicated campaigns that promote the pavilion, allowing you to network with industry leaders, experts, and potential collaborators.

Technical Rescue Pavilion

Intersec offers a customized exhibitor package, including a fully-equipped pod (branded back wall, screen, power, counter, and lockable cupboard) at an unbeatable price. Simply bring your laptop and relevant literature, and you're ready to engage.

The pod grants you full exhibitor status with show access during build-up, inclusion in the exhibitor list, and participation in promotional activities, along with a complimentary subscription to the Intersec premium app that enables you to book meetings, scan badges, and showcase your profile.

Limited availability alert!

Don't miss out on this extraordinary opportunity to be part of the Technical Rescue Pavilion at Intersec 2023. Reserve your pod, contact our team today:
